

SONOR®

Since its foundation in 1875, SONOR always strived for innovation and the highest possible quality percussion instruments. A lot has changed since then but the goal always stayed the same: To create timeless instruments, build with decades of experience, an obsession with detail to create the SONOR sound and in close cooperation with a community of passionate artists in order to empower every drummer on his personal musical journey.

Sounds like something you'd like to be a part of? Then we look forward to receiving your application, including your salary requirements and the earliest possible starting date.
